# Computer Diagram

Create a poster diagramming the parts of a computer and explaining their purpose. Make sure to include all of the components listed below and show the proper connections and connection protocols (e.g. a mouse will be connected to the southbridge via USB). Your poster should be suitable for hanging in the classroom.

| | | | |
|---|---|---|---|
| Floppy Drive | Modem | RAM | Optical Drive |
| Power Supply | Web Cam | Printer | Scanner |
| Wireless NIC | Mouse | NIC | Microphone |
| Hard Disk Drive | Southbridge | Speakers | Graphics Card |
| Keyboard | CPU | Monitor | Motherboard |
| Sound Card | Northbridge | BIOS | |
